

Private Group Sound Journeys with Lee Ann Dzelzkalns

A Musician Honored by Musicians

Lee Ann is renowned for her Private Group Lotus Heart Sound Journeys. For instance, when the Broadway show Hamilton was on it's national tour, the musicians scheduled a private group journey with Lee Ann. Many musicians, like these, have expressed the beauty and power of Lee Ann's work. Here are some testimonials:

"As a Musician and Sound Engineer, I adore beautiful music and superb sounds that give me reason to celebrate this incredible World that we all are living in, but sometimes forget to share. Going along on the wonderful and soulful trip that Lee Ann presents helps me remember! Her style of speech, choice of text and her masterful playing of her incredible collection of musical instruments adds up to a most sincere and deep journey with sound that needs to be experienced by everyone."

- Victor DeLorenzo

"LeeAnn's ability to access 'Innate wisdom' combined with her use of 'Sacred Sound' enable her as a loving source for Guidance, Counsel & Transformation. Her use of vibration is wielded with reverence, honoring the Sacred Sound Current. It is important to recognize that Lee Ann's unique musical instruments (together with her voice of guidance) facilitate deep 'Inner Journeying' and the expansion of Consciousness to align individuals to their True Divine Nature."

- Dr. James B. Hopkins, Harmonic Healing

Benefits of a Private Group Sound Journey

A private group sound journey is meant to help your group align energetically. Attention is directed to set intention before diving into the journey. The journey brings a focus to each person's individual needs while synthesizing the overall group intention. Lee Ann devotes time to work in the bio-field of each individual with specific instruments, and that sound vibration also reaches and benefits everyone in the room. Through her acoustic feminine wisdom, Lee Ann encourages internal adjustments, the release of anything incongruent with the evolving self, and an expansion of consciousness through re-calibrating and re-harmonizing one's resonant frequency.

What you need to know before booking

- A sound journey with more than one person is considered a group private.
- Standard times offered are Tuesdays and Thursdays starting at 2 or 2:30pm. You can look online [here](#) to see what is currently available.
- If you would like to request a different day/time, it is helpful to select a few different day/time options that might work for your group before making a request.
- Once a date and payment option is selected, your journey will be scheduled and you will be provided with a direct private link where EVERYONE in the group will need to register IN ADVANCE (because we need consent forms prior to the event).
- Payment options include:
 - Option 1: Advance payment in full by the group leader. In this case, a coupon code will be provided that everyone can use to register for free.
 - Option 2*: Partial payment by the group leader and partial payment by the attendees. In this case, a coupon code will be provided for the amount that the group leader is covering.
 - Option 3*: Full payment by attendees. In this case, the attendees pay when registering.

*Since pricing is established based on the number of attendees, if fewer people register than planned, the group leader will be responsible for covering the cost of the open seats.
